

COMMERCIAL
RISKS

PROPERTY OWNERS INSURANCE

Mi Commercial Risks offers a superior product for property investors and trusts with commercial and residential property portfolios.

We have a broad based appetite and wide acceptance criteria across a range of trades and occupations, and specifically target residential portfolios and trust business.

We can accommodate sums insured from £100,000 to £50 million.

For brokers with large portfolios of property owners business we can offer delegated underwriting authority facilities through Mi-Binder, our on-line binder platform at www.mi-binder.com.

Cover is on an All Risks basis and includes:

- Standard Day 1 uplift
- Alternative accommodation as standard for residential properties
- Legal Expenses
- Property owners liability
- Engineering Breakdown cover.

What makes us different?

- Capacity is provided by Lloyd's of London
- Wide trade appetite
- Facilities to write specialist Liability business with perceived difficult Product Liability exposures
- We can accommodate larger property exposures
- All Quotations are exclusive
- Local expert underwriters.

COMMERCIAL RISKS
